

Why choose Skipton Building Society for Intermediaries?

Making things easier for you

You can rely on our common sense, straightforward approach to lending

You can talk to our underwriting team if you need to

We'll aim to review any extra documents requested at initial underwrite within 24 hours

You'll be supported by a network of dedicated BDMs/TBDMs

We combine technology with the human touch, to make our mortgage process more efficient for you

Your feedback helps us to make our service work better for you

You can reach us on web chat for case updates and new enquiries

You'll receive clear, timely communications
